THE FLOUNDER.
A little bit o' trouble
And a little bit o' song,
From springtime 'round to winter
The world jes' jogs along.
A snowstorm in November
And a blossom in the May;
World jes' goes ahead an' does
Its duty day by day.
So I shall not bemoan my lot,
Tho' humble it may be;
What's good enough for this old earth
Is good enough for me.

The Ledger Saturday received a sample of Big Sandy Sorghum, the first of the season here on the market. It came from M. C. Russell Co., who leads in getting all the good things.

Saturday night was Halloween, and to the credit of the overgrown smallboy there was comparatively little vandalism. So far as THE LEDGER learns, there was no such malicious destruction of property as in former years, but still there is room for improvement.

MASON COUNTY MEDICS.

An Interesting Meeting Rounds Up With a Delightful Menu.

Saturday's session of the Mason County Medical Association was a notable one in several particulars.

The attendance was large comprising two distinguished Cincinnatians, Drs. Ransohoff and Culbertson, Dr. Laughlin of Aberdeen, besides several of the laity and members of the local press.

Before the business session at G. A. R. Hall an entertaining talk was given by Dr. Culbertson, who by the way is closely allied to Maysville, and a most interesting paper was read by Colonel R. B. Maltby of Washington, bearing upon the expert determination of insanity as developed in a famous murder trial at his New York home of many years ago. For his thoughtful and forceful reading of this case Colonel Maltby was the recipient of many compliments.

Following this an adjournment was had to the New Central, where this most tempting menu awaited the Doctors and their guests:

Mason County Medical Society, Luncheon, October 31st, 1903.
THE NEW CENTRAL.

MENU.

Tomatoes with Lettuce, Mayonnaise Dressing.
Shredded Beef. Cucumbers and Onions.
Blue Points on Half Shell.
Soup, Oyster.
Baked Hamlet with Shredded Potatoes.
Cold Ham. Cold Tongue.
Baked Duck with Dressing, Cranberry Sauce.
Larded Sweet Breads with French Peas.
Baked Italian Macaroni with Cheese.
Mashed Potatoes. Corn Pudding.
Asparagus Tips on Toast. Candied Sweet Potatoes.
Mince, Pumpkin and Apple Pie.
Hick Cream.
Vanilla. Chocolate. Strawberry.
Assorted Cake.
Roquefort, Swiss and Cream Cheese.
Butter and Sweet Milk. Corn Bread.
Mixed Nuts.
Oranges and Bananas.
Old Limestone Whisky. California Claret.
Wideman's Bottled Beer.
La Array and La Constellation Cigars.
Assorted Caudles.

The symbol heading of the menu card should not lead anyone to infer that the Mason County Doctors are "dead 'uns," for interest in this part of the program was kept up with unflagging energy, and President Hunter, Secretary Browning, Dr. Taulbee and others were most zealous in doing the honors.

The visitor who went through even a part of the elaborate menu was fortunate indeed if he did not afterward require the services of one or two of the generous hosts.

When the tables had been cleared Dr. Ransohoff, in a most informal yet impressive vein, delivered an intensely interesting address on kidney stones, illustrating his remarks by X-Ray views and various samples of stones. It may justly be said that the great surgeon's talk was the most instructive feature of the day, and none went away without a higher appreciation of the profession to which such men have devoted themselves.

Following Dr. Ransohoff, brief remarks were made by Drs. Taulbee and Ellis, after which the guests departed, revived in spirit and in body.

The Best Remedy for Croup.

From the *Atchison (Kan.) Daily Globe.*
This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for croup, known as hive syrup and told, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by J. J. Wood & Son.

J. C. Cullish, Market street, receives daily Stevenson's Clover Leaf Bread.

"EVERLASTING DEVIL'S AUCTION."
Managers Russell, Dye and Frank and Business Manager Hamilton of the Washington Opera-house have this to say regarding the coming engagement of Charles H. Yalo's "Everlasting Devil's Auction," Wednesday, November 4th: "This production will be complete in every detail; every one of the forty-six 'drops' will be used (being twenty-two more than was used last season) and very bit of set stuff (two big four-horse truck loads) and with the large company of forty-two people you will have the same great production as would be seen in any city theater." Seats now on sale at Ray's Drugstore.

Cartmell extracts teeth without pain.

Frank Hamilton was struck by a C. and O. train at Ashland Friday and instantly killed.

The Court of Appeals affirmed the suit of Hughbanks vs. Hughbanks, from Bracken county.

Go to J. C. Cullish Market street, for the Clover Leaf bread, Rye, Graham, Salt Rising, Vienna, Corn Meal and Cut Leaf Bread daily.

A Good Name.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. Easton, Boerne, Tex. Thousands of people are using these tiny little pills in preference to all others, because they are so pleasant and effectual. They cure biliousness, torpid liver, jaundice, sick headache, constipation, etc. They do not purge or weaken, but cleanse and strengthen. Sold by J. J. Wood & Son, Druggists.

The Important Question of COATS!

Have you bought yours? North winds will soon begin to blow—better be prepared. These snappy brisk days emphasize the approaching need of warm coats. An assortment here that admirably corresponds to the taste, the need, the purse of every woman. Details are impossible—we can only generalize. Good Coats for \$5, better for \$7.50 and so by quality steps to \$30.

The Elegant and Practical in Women's Headwear.

Dress hats of velvet, chiffon, jet, chenille and fancy braids in delightful variety. All colors as well as black. The newest shapes—toques, turbans and flares large and small. A broad margin as to price \$5 to \$15. Then there are Walking Hats simply trimmed but bearing the unmistakable hall mark of New York, their birthplace. \$1 to \$4 covers the price list.

GIRLS' SCHOOL HATS—One particular style of hat has everything its own way this season for children's school wear—the roll brim sailor. It is chiefly on this model variations of material, of color, and of very simple trimming are made. The popular shades are castor, red, navy, oxford, white, and black. Prices \$1 to \$2.50.

WASHABLE GLOVES.

Travel in them, drive in them, wear them on stormy days that would ruin most gloves, then treat them to a little soap and water and behold—they're as fresh as daisies—\$1.50. Tan, gray, mode, pearl and white.

He leaves a wife, one daughter, Miss Allie Leo King, and one son, Mr. W. P. King. He also leaves a brother, Mr. Noah King, in Fleming county.

The funeral occurred this morning at 11 o'clock from the Lewisburg Baptist Church, services being conducted by Rev. R. E. Moss of this city.

Cured of Piles After 10 Years.

Mr. C. H. Henry of Geneva, O., had the piles for 10 years. Doctors and dollars could do him no lasting good. DeWitt's White Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, insect bites, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. Sold by J. J. Wood & Son, Druggists.

Second-hand Stoves for sale. B. Jeff.

Our friends the Democrats are boastful of the splendid financial condition of Kentucky, due as they say to Democratic administration. They claim that the state is out of debt, with money in the Treasury. This is just the sort of talk that was heard the very week that "Honest" Dick Tate walked out of Frankfort, leaving six cents in cash and a state debt bigger than a barrel. It isn't safe to depend on Democratic reports, financial or otherwise.

Officers of tomorrow's Election can very materially lessen the labors of the Newspaperman, and at the same time gratify the public desire for information. If the Clerks or Inspectors will kindly telephone to THE LEDGER the vote in the several Precincts of Maysville and Mason county, immediately upon completion of the count, the result will be known in an hour or so after the polls close. Please bear this in mind, and send in reports at the earliest possible moment. Use telephone at our expense.

Nine of the thirteen tobacco warehouses controlled by the Louisville Tobacco Warehouse Company have been merged into four houses. Hereafter the company will operate only eight houses, using the others for storage purposes.

At the meeting of the tobacco growers Friday Mr. Thomas Collins of Helena was elected a member of County Board of Control, in place of Mr. Joel Laytham who declined to serve. Mr. W. Scott Osborne was elected County Chairman and Mr. T. L. Holton Secretary.

For November, Collector Samuel J. Roberts has assigned William W. Cherry, John M. Stevenson and Peter S. Rule Storekeepers and William T. Crosthwait Gauger at the H. E. Pogue Distillery; Charles T. Asbury Storekeeper-Gauger at Poyntz Bros. and Storekeeper-Gauger American V. Combs to J. H. Rogers & Co.

Judge Faulkner, in a lengthy written opinion handed down at Manchester, granted a permanent injunction against the County Clerks, restraining them from placing the name of W. Godfrey Hunter on the ballots in the Eleventh District as the Republican nominee for Congress. Dr. Hunter gave notice that he would today move before Judge Settle of the Appellate Court at Bowling Green to dissolve the injunction.

A GREAT TRUTH.

How It Has Spread From Home to Home in Maysville.

In every part of Maysville; in the homes of the wealthy; in the humble abode of the man of toil 'tis now a well-known fact—a great truth—that Doan's Kidney Pills have brought more comfort to backache sufferers and cured more sick kidneys than any medicine of modern times.

Mrs. M. C. Chisholm of 343 East Second street says:

"Mr. Chisholm speaks in high terms of Doan's Kidney Pills. He procured them at J. Jan. Wood & Son's Drugstore, corner of West Second and Market streets, and their use proved them to be an effective kidney remedy. I have heard others express their appreciation of Doan's Kidney Pills. A medicine which cures kidney trouble is a most desirable one of which to know."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

When you vote the entire Republican ticket tomorrow you will have the consciousness of an honest effort to redeem Kentucky from the rotten politics that has been dominant in the once proud old state for the past four years.

It is plainly to the interests of the workingmen of Kentucky, as of other classes, that the proposed Amendment to the Constitution shall carry. The effect of the Amendment will be to increase the manufactures of the state, and this means increased opportunities for steady employment for the workingmen. No workman should fail to vote for it tomorrow.

PERHAPS more than any other class Kentucky farmers are interested in the development of the state along manufacturing lines, for the reason that factories bring in skilled labor, increasing population, and the sale of the products of factories brings in wealth from a distance. Obviously, then, we shall have a greater demand for farm products at home—home markets. The proposed Amendment which is to be voted on tomorrow only refers to taxation in cities for city purposes, no change being made as to assessment for state or county purposes.

As cities grow they increase their share of revenue to state and county, and to that extent will lighten or share the burden of taxation in a larger degree as compared with that paid by the farmer. Kentucky farmers vote in their own interest when they vote for the Constitutional Amendment.

Turkey produces a great quantity of oranges and mandarines; nevertheless, it imports lemons from Italy, Syria and Tripoli. The same may be said of Smyrna, Trebizond, Salonica, Monastir, etc.

M. P. V. Bounef, said to be a Bulgarian journalist, has arrived in Paris on a journey round the world on foot with his wife. They expect to do it in fifteen years and to pay expenses by the sale of Postcards bearing their portraits.

Emperor William of Germany has decided to offer a cup to the New York Yacht Club and the Atlantic Yacht Club for a transatlantic yacht race for next year. Sir Thomas Lipton had made a previous similar offer but withdrew it in favor of the Emperor. The race will be an international contest.

A report compiled by the Militia Division of the General Staff of the Army shows that of the fifty states and territories, Kentucky stands lowest in the ratio of the membership of its militia to the male adult population of military age. As a general rule, the percentage of nearly all the states in the Ohio valley is low.

Elections will be held in eleven states on Tuesday. Full state tickets are to be voted for in Massachusetts, Rhode Island, Maryland, Ohio, Kentucky, Iowa and Mississippi, while in New York, Pennsylvania, Nebraska and Colorado a Justice of the upper Courts, Regents of the State University or minor state officers are to be chosen. Municipal officials are to be selected in Greater New York, San Francisco and Salt Lake.

FALL COLDS.

DANGEROUS BECAUSE HARD TO CURE.

An Offer to the People of Maysville from Our Well Known Druggist, J. C. Pecor.

Our well known druggist, J. C. Pecor, claims he has a cure for colds and coughs, and if it fails he will refund your money. The remedy is Vinol, and we have heard such wonderful results from it that we advise every person in Maysville who is suffering from a cold or cough to try it on his guarantee.

A hard cold and a hacking cough may be the means of undermining your constitution and terminate in consumption. Cough Syrup, while they temporarily allay the spasms of coughing, owing to the opiates they contain, upset the stomach and do not cure the cause; old-fashioned cod liver oil and emulsions are so nauseating that few can take them.

Vinol is delicious to take, and contains all the active curative principles of cod liver oil in a highly concentrated form, and it is therefore the greatest specific known for coughs, colds and bronchial troubles.

You would not eat an egg, shell and all. For the same reason you should not take old-fashioned cod liver oil or emulsions, just to get the medicinal curative elements which they contain.

The Vinol manufacturers separate them for you, throw away the useless oil and give you in a delicious, concentrated form all the healing and life-giving elements which are to be found in fresh cod's livers. That is what gives Vinol its wonderful power to cure Coughs, Colds and all throat and lung troubles and makes it the greatest tonic reconstructor known to medicine. J. C. Pecor, Druggist.

Miss Laura Drake Gill, Denn of Barnard College, has been appointed adviser to women graduate students of Columbia University, an office created by the Columbian Trustees about a year ago.

FINAL APPEAL.

To Friends of Kentucky to Vote For Constitutional Amendment.

While the Amendment has the unqualified approval of candidates for Governor of each of the leading political parties and of thinking men, regardless of party affiliations, throughout the whole state, and no organized opposition to its adoption exists, we have encountered here and there more or less antagonistic sentiment, some of it based upon unworthy prejudice, but more of it due to various misconceptions of the true scope and effect of the measure.

The apprehension expressed by some of our citizens that the measure will operate to increase taxation in our cities and towns on real estate is groundless, because the revenue derived from municipal taxation of personal property used in business is relatively small as compared with revenue from taxation of real estate, and as much, if not more, revenue will be derived from the taxation of it under the license system than is now obtained by ad valorem taxation of it.

The adoption of the Amendment will not exempt business personality from municipal taxation, but will open up a way under which it can be taxed for municipal revenue only in a manner to encourage the expansion of our commerce and manufactures, and to enhance the value of our real estate.

The fears entertained by some of our people that the Amendment can be used to increase the bonded debt of our cities, or to increase the limitations of their tax rates, as fixed by their charters, are entirely without foundation, because these things are governed by provisions in the Constitution and Statutes of our state in no way changed or repealed by the Amendment upon which you are to vote.

The people of the great state of Ohio, lying on the Northern border of the Central and Eastern portions of our state, will vote tomorrow upon an amendment of the same character as ours, but of much broader scope in that it takes the whole question of state, county and municipal taxation out of its Constitution and commits it to the Legislature. Our information is that the Ohio Amendment will, without doubt, be adopted.

If we, by any mischance, should fail to adopt ours, what chance will Kentucky have against Ohio in securing the location of new manufacturing establishments?

There is no class of our people but will be benefited by its adoption—real estate owners, in the enhanced value of their property; merchants and manufacturers in increased volume of their business; workingmen in greater demand for their labor, resulting in higher wages; farmers in enlarged home markets for their produce; lower state and county taxes in the early future, soon to be followed by lower municipal taxes; progress and prosperity for all, under the establishment of Home Rule in local affairs.

MILLIONAIRE'S POOR STOMACH.

The worn-out stomach of the over-fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25c; regular size, 75c. At Henry W. Ray's, next door to Postoffice.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

He is a man of large family.

Planck was arrested by Sheriff Collins and taken to Flemingsburg.

Stepped Against a Hot Stove.

A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to relieve him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well-known resident of Kellar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by J. Jas. Wood & Son.

Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder.

If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each. Kodol cures indigestion, dyspepsia and all stomach disorders.

I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy, I seldom need it, as it has cured me. Mrs. J. W. COOLBAUGH, Milo Center, N. Y.

A Remarkable Case.

One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Keener, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by J. Jas. Wood & Son, Druggists.
